Fr. Larry J. Hess has been involved in healing ministry for over 30 years. He has written a Prayer Card for Healing and is sometimes referred to as the "Priest of the Holy Card."

The Story of the Holy Card

While in hospital ministry, newly ordained Fr. Hess prayed with the sick using spontaneous words. When transferred in May of 1980, he recorded and printed this prayer. Today over 10,000 prayer cards are requested each month from all 50 states, Canada, Nigeria, Japan, and many worldwide locations. Requests from Puerto Rico and Bolivia necessitated a translation to include a Spanish Holy Card. Healings and testimonies confirm God's blessings to those who pray it. Fr. Hess claims "I only printed it so I wouldn't forget it," but God had other plans.

Remember, nothing is too big for God!

On February 9, 2012, I had a Funeral in Pennsylvania. A woman requested in her will to have me, Fr. Larry J. Hess, celebrate her Funeral Mass and Homily. I did not know why she did that until I met and talked with her son and daughter after the Funeral Mass.

The story is her story. She was diagnosed with cancer and told that she had only four months to live. Someone gave her the prayer card. She prayed that prayer card for nine years.

Wow! God is amazing and continues to be.

All praise to our Heavenly Father,

Fr. Larry J. Hess, Pastor of St Anthony of Padua RC Church, Reading, PA
